**of Correction**

Dear Sir:

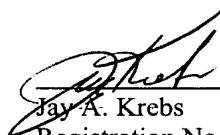

It is requested that the attached Certificate of Correction be issued under 37 CFR 1.322 for the above-identified patent.

With respect to items (1) through (3) below, please note that the text in the published patent differs from that submitted by the applicants, apparently due to printing errors by the Patent Office.

- (1) Column 4, line 24 of the issued patent, delete "prelocomotive" and insert therefor --pre-locomotive--.
- (2) Column 8, line 39 of the issued patent, delete "army" and insert therefor --array--.
- (3) Column 8, line 58 of the issued patent, delete "may" and insert therefor -- array--.

Correction of these mistakes is believed necessary to avoid ambiguity with respect to the patentees' disclosure and claims.

Respectfully submitted,
